The touch-up and repainting color vendor palletes we offer are matched by us to the original color chips and are not produced or supplied by the original door manufacturer. Use of names, logos, and brands does not imply their endorsement and are used for identification and comparative purposes only. All product names, logos, and brands are property of their respective owners.

Note: The digital colors on your screen or printed colors on your printer will vary from 'real world' colors due to a variety of factors. This color card should only be used as a general representation of colors we routinely sell. Physical color swatches and custom color matching can be requested through your distributor.
